Like us on Facebook to see what is happening in the church this week.

The Purpose of the First Presbyterian Church is to know Christ through worship and fellowship and to make him known through witness and service in our lives as a congregation and as individuals.

The Work of First Presbyterian Church, as guided by the Holy Spirit, is supported by the dedicated giving of each member's and friend's contribution of time, talent, and resources.

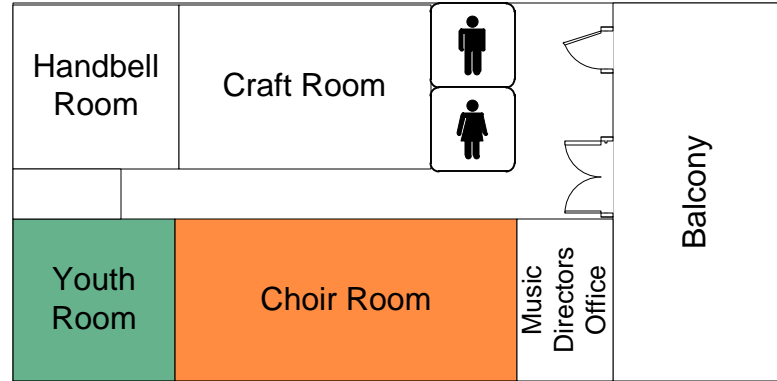

The Ministry is realizing that all we have and what we are belong to God. Our church family has a commitment to share with others - throughout Zephyrhills and around the world.
